

1. INT/EXT. PG - VAIBHAV'S ROOM - 7:10AM

CU of DPP; a hand ticks the answer. We reveal Vaibhav solving 'Which of the following compounds exist? AlCl₅, BeCl₃, BH₃, None'. Meena rushes in.

MEENA

Ho gaya tera? (Haan) Toh jaldi kar

Vaibhav quickly ticks and rises.

MEENA

Aaj jadli jaake aage baithna hai,
itne din baad poora DPP kia hai.
Batla Sir sahi bolte hain, agar
inorganic aati hai toh sawal phat se
toh hote hai

VAIBHAV

Haan..pata nahi ye orbital s,p,d,f
kyon padhate rehte hain, inorganic se
shuru karna chahiye. Bachchon ka
confidence toh bhadega..

MEENA

Haan..Pehli baar aisa hua ki poora
DPP 15 minute me ho gaya

VAIBHAV

Heh..maine 12 minute me kia..

MEENA

Toh ho sakta hai na tune jaldi me
galat kia ho. Discuss toh hone de.

VAIBHAV

Chal fir dekhte hain..jiske zyada
sahi uski shriji ki pyaaz kachori..

As they step out. Aunty, from stairs, stops them.

AUNTY

Vaibhav Pandey..kal tumhara kamre ka
pankha ON reh gaya tha.

VAIBHAV

(A beat)

Nahi aunty, pankha off tha.

AUNTY

On tha. (Looks at Meena)

MEENA

Ho sakta hai on reh gaya ho..

VAIBHAV

Nahi aunty, off tha.

AUNTY

Jhoot mat bolo, mujhe awaaz aa rahi

thi upar.

VAIBHAV

Aunty, jab aapke pankhe ki awaaz
humein nahi aati, to hamare pankhe ki
awaaz aapko kaise aa sakti hai.

AUNTY

Zyada physics mat lagao, agli baar
pankha on chhoda na to maths lagake
100 Rs jod dungi rent mein.

2. INT. COACHING STAIRS - 7:45AM

On the institute stairs.

VAIBHAV

Yaar baat paise ki nahi hai...ye
saali Lalita Pawar. Papa ke saamne
badi Nirupa roy ban rahi thi (Tone)
**Ye to hamare bunty achche jaise hi
hai, hum to chahte hi hain iska
selection ho jaye..** Chahe bina pankhe
ke sona pade, main ise paise bhadane
ka bahana nahi dunga..

MEENA

Us tadka ke baare me baad me soch
lена abhi first bench gherte
hein..aur phodte hein.

They move towards the class.

3. INT. A5 CLASS - 9:15AM

VM, on first bench, listen keenly. Batla teaches.

BATLA SIR

Bohot important exception hai, JEE 99
me aaya tha (yawning kid suddenly
notes) Silver Iodide Ionic compound
hai but is not soluble in water.
Kyunki yahan fajan rule lag jata hai,
kyा tha vo.

Meenal (Gujju) answers before Vaibhav and Meena.

MEENAL

No Ionic compound is completely
ionic, and no covalent compound is
completely covalent

Vaibhav and Meena lip sync.

BATLA SIR

**Right Meenal beta. Bas aise hi badh
gayi..500 rank..IIT BHU Comp Science
se uthke seedha IIT Bombay Metallurgy
(Meenal smiles)** Rank to bhai dekho
inorganic hi improve karti hai

Meena and Vaibhav nod.

RANDOM STUDENT (OS)
Sir, aapki kitni aayi thi?

Embarassed, Batla fakes and erases the board.

BATLA SIR
Haan..haan..karenge, DPP discuss
karte hain..chalo.

Student giggles. VM excitedly takes out DPP. Deepak enters the class with a clerk, without knocking.

DEEPAK
Sabse zaroori baat..

BATLA SIR
Haan kijiye na sir..

DEEPAK
Ye faculty ke feedback form hai, jise
bharna hai do din me bharke de de.

As clerk distributes forms.

DEEPAK (CONT'D)
Aur third installment bharne ki last date me 5 din baaki hain. Sab samajh hi gaye hoge. Aur haan yaar o lambe baal wo gaana hai na kudi mainu kehndi Mainu jutti le de sohneya, iske aage kya aata hai

Clueless student gets up and sings.

CLUELESS STUDENT
Main keya naah goriye..Na na na naah goriyeee..(sings)

DEEPAK
Chup! Tu hi hai na jo Punjabi Mess ke bahar ye gaana gaata rehta hai? (No sir, no sir) Mujhe complaint aayi hai(a girl looks down) ki koi lambe baal, laal sweater wala ladka ye sab kar raha hai, dobara complaint aayi to batch ke sab ladko ko poore institute ki ladkiyon se rakhi bandhwunga

2-3 guys with long hair frightened. VM don't care.

DEEPAK
Aur haan agla lecture bhi Batla le..
Batla sir lenge.. (to Batla) Bansal saab Maths Olympiad ke liye Romania gaye hain na toh..

Batla reacts "foreign?". Deepak leaves.

DEEPAK
Haan, tu baal katwa. (reenters)

BATLA SIR
Chalo..DPP karte hain.

VAIBHAV
Yes Sir..

BATLA SIR
Good..I like excited state.

Batla announces. Batla - 1. ka answer hai..Vaibhav had ticked answer 'C'. Batla- "D". Vaibhav exchanges look with Meena, who ticked C. Batla continues.. and in quick cuts we see them exchanging look as all answers are wrong. Then, the 14th question, Vaibhav looks with hope, but that is also wrong. Vaibhav, Meena are depressed.

BATLA SIR
Apne apne marks DPP pe likh lo..aur sambhal ke rakhna, revision ke liye..

Batla looks at Meenal's DPP: all right except 15.

MEENAL
Aur Sir 15 ka?

BATLA SIR
Wo to chocolate problem hai, A1 batch ke liye daala tha..tum chhod do.

MEENAL
(Happily)
Ok sir..

VAIBHAV
Sir 14 ka answer C kaise ho sakta hai? Ye compound toh ban hi nahi sakta yahan to octet rule break ho gaya na.

BATLA SIR
Haan bilkul sahi keh rahe ho.

VAIBHAV
To?

BATLA
Par ye to exception hai.

VAIBHAV
Exception? Science mein rule thodi na break ho sakta hai?

BATLA SIR
Ye kisne kaha..Tum bhi toh rule todte ho, na na na na goriye. Hain?
Exceptions hi chemistry ka rule hain.
Chalo salt analysis shuru karte hain.

Batla turns to board. Meena meekly laughs at Vaibhav. Meena got 3, Vaibhav's sheet - 2 right.

VAIBHAV

Hans kya raha hai be? Teen number
aaye hain tere.

MEENA

Tere do.. (beat) Kachori.

4. EXT. KACHORI - AFTERNOON

VM eat pyaaz kachori. Their notebook lies in BG.

VAIBHAV

Kuch jyaada hi halke mein le liya
apan ne.. Halwa samajh rahe the, hai
nahin.

MEENA

Haan yaar, Halwa to katai nahin hai.
Aaj to kuch jyaada hi mirchi ho gayi
bhaisa. Paani.. paani.

UTSAV

Le, ye ka le.

Utsav hands a chocolate to Meena.

MEENA

(eats, is relieved)
Poori kha loon?

UTSAV

Kha le, Bas wrapper de dena.

MEENA

Raypper?? Eco friendly honge.. bahut
honhaar.

UTSAV

Nahi.. (Shows sheet) Ye wrapper nahi
trophies hain. Mera chautha chocolate
problem.

We see 3 wrappers decorated on his sheet.

VAIBHAV

Tu chocolate problem kar leta hai.. Tu
to A6 mein hai na.

UTSAV

Toh? Main kya 5 aur logo ne bhi ki
hai.

VAIBHAV

Kya baat kar raha hai!?

MEENA

Haan! Mat kiya kar. Wo sirf A1 walon

ke liye hoti hai.

Vaibhav reacts. Utsav snatches the wrapper.

VAIBHAV

Tum logon ke aajkal inorganic ke DPP
mein marks kitne aa rahe hain?

UTSAV

12-13.

Meena surprised

UTSAV

Tumhare?

VAIBHAV

13-14.

Meena is surprised again. But then nods.

UTSAV

Bahut honhaar..

He gently places wrapper in sheet and walks away.

VAIBHAV

In logon se chocolate problem ho rahe
hain!! Inke A6 mein kya alag hai apne
A5 se?

MEENA

Deewaron ka rang, Bencho ki chaudai,
pankhon ki sankhya aur faculty.

Vaibhav shifts look. CU of feedback form. **Title Credit.**

5. INT. PG - VAIBHAV'S ROOM - EVENING

CU of feedback form in Meena's hand. Vaibhav stands besides.

VAIBHAV

Zero de Zero...Batla upto mark nahi
padhayega to feedback mein anda hi
denge na.

MEENA

Gande marks deke bezzat karna
teachers ko shobha deta hai. Students
ko nahin. Wo bhi A5 ke.

VAIBHAV

Ganda feedback nahi denge to wahi
padhata rahega...phir inorganic ghanta
seekhenge?

MEENA

Teacher maa-baap samaan hote hain;
Aise to unka bhi feedback kar maaro.
"Pitaji aap upto mark baap nahin hain

7

to aaj se tauji aapke kamre mein
soyenge". Thanda hoja fen chalu kar.

We reveal now that fan in the room is off.

VAIBHAV
Nahi, nahi chalega aaj fen.

MEENA
Par mujhe garmi lag rahi hai.

VAIBHAV
Tu pehle form bhar..

Meena rises. Vaibhav covers the switch with hands.

MEENA
Mein paani peene ja raha hun.

Meena walks towards dispenser and Vaibhav follows.

MEENA
Ek Dwapar yug tha, Dronacharya guru
ka sammaan tha..aur ek ye yug hai.
(pours water)

VAIBHAV
Oye! Arjun bhi na Dronacharya se lada
tha..Teri to Ramayana bhi weak hai.
(Meena tries to interrupt) **jabki**
Dronacharya sir to was like the best
teacher ever, Best phir bhi unse plot
wagairah ke kabze ke liye lada woh
aur tu Meena, **JEE** ke liye is Battle ke
against form nahi bhar sakta?

MEENA
Tu de de gande numbers..mujhse nahi
hoga.

VAIBHAV
Theek hai. Sadna jaake apne us Batla
ki tarah kisi Private Engg college
mein. Bloody Non-IITians.

Meena impulsively splashes water on Vaibhav's face. Silence.
Aunty is revealed in BG.

AUNTY
Kya chal raha hai yahan?

VAIBHAV
(points at the fan)
Kahan chal raha hai aunty, band to
hai.

AUNTY
To peene ke paani se holi kheli ja
rahi hai.

MEENA
Sahi keh rahi hain aap..buaji.

VAIBHAV
(reacts)
Nahi aunty vo...

AUNTY
Bas 300 rupaye badhenge.

Aunty turns and leaves.

VAIBHAV
Arey aunty..aunty..suniye to..Aunty
main to aapke bunty jaise hoon na.
Mummy?!.(She has left, Murmurs to
self) **Institute se** paani bhar launga
par is bhootni ko paise nahi dunga.

Meena hands over the signed form to him.

MEENA
Sign kar diya..bharle jo bharna hai,
Bhootni ke.

VAIBHAV
Sorry yaar..

MEENA
Koi na bhai..dharti ki bechaini ko
bas baadal samajhta hai.

VAIBHAV
Ae Kumar Vishwas, jaa kahan raha
hai..chal

MEENA
Kahan?

6. MONTAGE - NIGHT - HOME OF OTHER STUDENTS | COACHING

1:INT. Student Room.

VM sit with another guy who has form in his hand.

VAIBHAV
Humne to de hi diya, par bhai jab sab
feedback denge, tab hi Batla hatega.

Guy thinks.

2: Two cuts of students handing form to VM.

3:Ext. Student Room 2 Door

STUDENT 2
Na, mein nahi bharunga.. bilkul nahi
bharunga..Agar mujhe samajh nahi aa
raha, to kisi aur ko bhi nahi aana
chahiye.

Student shuts door.

MEENA
Swarthi.

4. Two more student hands them the form.

5: INT. UDAY ROOM

Uday holds feedback form. Shivangi sits reading.

UDAY
Very nice initiative..This Batla shud be changed. Infact, every teacher in this coaching shud be changed. This fucking coaching industry shud change. For that, exam pattern, syllabus, curriculum, pedagogy shud change. IITs shud change, Whole educational System shud change. For that..Patriarchy shud change. Tumhe kya lagta hai Shivangi?

SHIVANGI
(sips coffee)
Mujhe lagta hai, pehle tumhe class jana chahiye.

6: Two more student hands them the form.

7: EXT. KAchodi TAPRI

STUDENT 3
Lo bhai bhar diya. Nikalo saale Chauhan ko.

MEENA
Chauhan?

VAIBHAV
Abe ye kya naam likh diya. Faculty ka naam Batla hai. Chauhan Sir A2 mein padhate hain A5 mein nahin.

STUDENT 3
(shockingly)
BC mein A5 tak gir gaya.

7: Vaibhav and another student play tug-of-war with forms.

BATLA STUDENT
Nahin! Na bura feedback doonga, Na tum logon ko dene doonga. Wo dil ke bahut achche hain..Jab bhi Mummy call karti hain, jhat se doubt solve karne ghar aa jate hain.

VAIBHAV
Kyun, tera Mama lagta hai kya?

BATLA STUDENT
Haan.

8: EXT. Road - Outside Punjabi Mess

Vaibhav and Meena stand on either side of a guy on a bike, red sweater, long hair.

STUDENT 4
Teaching style Batla? 2, Doubt
solving 1. Personality 0.
Punctuality.

A girl passes in the front. Student sings 'Kudi menu kendi'. Vaibhav and Meena shocked. Camera zooms. He continues. He tries to hand over the form but they are not there.

9: Meenal's Room

VM sit amazed on bed as Meenal reads the table.

MEENAL
'Beta maange Car Scooter Baap Roye'.
'Bengan aloo Gobhi In Thela'. 'Kai-se
jaayein sajan Pardes', 'Old style se
Tel Polish' 'Nana Papa Aunty Sab
Beemar'. 'Fir call kar ke bahar ayi
aunty'. 'He never Arrived, Kara zero
Run pe out'.

She turns.

MEENAL
Sorry hnnh wo main roz ek baar lunch
se pehle, ek baar dinner ke baad
revise karti hun. Aem bolo ne..I mean
'ab bolo'.

VAIBHAV
Wo form..

MEENAL
Haan form.. Tum log bhar lo main kaise
bhar sakti hoon. Meri inorganic to
saras ja rahi hai. Chalo bye. Abhi
sabke atomic radius bhi revise karne
hein.

Meenal goes towards Periodic table. Vaibhav rises.

MEENA
Chal bhai Vaibhav, Shayad A5 mein
hoke bhi hamari kismat mein A6 waalon
ki tarah chocolate problems solve
karna hai hi nahin..

MEENAL
Su bole che?

7. INT. NOTICE BOARD - COACHING - DAY

A5 students in huddle at notice board. Vaibhav stands behind.

STUDENT NEWS 1
Ye inorganic ke neeche AWS kya hai?

STUDENT NEWS 2
Awasthi..ab vo padhayega

STUDENT NEWS 1
Batla hat gaya vo to bada respected
banta tha..

VAIBHAV
Hata nahi hai..hataya hai.

Vaibhav walks away in tashan. Camera pans to reveal *Batla Student*. He mumbles "Mamaji".

8. INT. DEEPAK OFFICE - DAY

BATLA SIR
Sir, Woh A5 to chala gaya to kya agar
kuch extra doubt class lag jaati to..

DEEPAK
Doubt classes..Inorganic ki? Kaun
aayega sir.

BATLA SIR
Bas paise kam mat kijiyega chahe kuch
bhi kara lijiye. Chahe to junior
classes de dijiye, Aathnvi tak ki to
main Physics bhi padha loonga.

DEEPAK
Kaisi baat kar rahe hain. Aap hamare
respected hain.

BATLA SIR
Kahan Sir. Respect to baaki subjects
ki hai. Jabki inorganic sabse jyadaa
mehnat maangti hai. Roz subah revise
karni padti hai. Par phir bhi salary
baakiyon ki jyaada hai.

DEEPAK
Sir ab Maths, Physics to IITians
padhaate hain. Salary kam do to
doosra institute kheench lega isliye
jeejaji unhe itna pay karte hain isme
main kya kar sakta hoon. Haan! Aapke
bhanje ko scholarship de sakta tha wo
maine di..jabki uski banti nahin thi.

BATLA
Mujhe hataana tha to kam se kam Rao
sahab ko lagaate. Mere se junior ko
laga diya. Saala ek no. ka psycho
hai. Aur aata jaata kuch nahin, Main
jaanta hoon na, mere hi to lectures

attend karta tha.

DEEPAK

To phir sir galti to aapki bhi hui na. Aur **inorganic** mein kya senior junior sir. Kisi ko to daalna tha, usey daal diya. aur psycho to hogा hi na bechara chaar mahine se khali baitha tha.

BATLA

Arey wo to aur chaar mahine khaali baith sakta hai, usne 2-2 hostel jo daal rakhe hain. Saccha teacher hota to koi aur coaching na join kar leta, khaali thode hi baithta.

DEEPAK

Kyon gareeb ka mazak uda rahe hain, Aap bhi jaante hain Inorganic ki faculty ko koi institute nahin uthata.

9. INT. A5 CLASS - DAY

AWASTHI

Utho!! Tumhe ye exception nahi pata, to kya padhai ki hai tumne ab tak.

A student stands in class. Whole class frightened.

AWASTHI (CONT'D)

Aaj hi ghar call karke bol dena ki IIT mein nahi hogा. Aur agar lag raha hai ki nahin bola jaayega to Citimall se Suicide point ke liye bus nikalti hai. Return ticket ke 10 rupaye lagte hain. Ye le 5.

THrows a coin on him. The sound of coin hit ground and roll on the floor finally subside.

AWASTHI (CONT'D)

Bhaith. 15 mein se 4 aaye hain.

Vaibhav Meena exchange look. Shows (3/15, 4/15).

MEENAL

Sir..Aap chocolate problem discuss karte hain?

AWASTHI

Haan han bilkul.

MEENAL

To sir isme exception ka kya reason hai?

AWASTHI

Par sirf Al waalon ke saath. Kyonki

woh A5 jaise wahiyaat sawal nahin
poochte. Fact hai, information hai
par humein reason chahiye. Note 50
aur 100 ka hi kyon hota hai 75 ka
kyon nahin. Ranbir ne Alia ko kyon
choose kiya Deepika ko kyon nahin.
Ye nahin ki rato khatm karo nahin *hum*
to reason poochenge. Topper
banenge. Pata hai main Alia ki nahin A5
ki topper kyon hoon. Kyonki main to
gadhi hoon, dhencho, dencho.

Everyone is taken aback.

STUDENT NEWS 1
Bhai inhone toh Meenal ka bhi anal
kar dia..

AWASTHI
Agar inorganic karni hai to bina akal
lagaye vaise rat te jao, jaise mein
batata jaaon..No questions asked.
Baat ghus rahi hai bheje mein?

FEW STUDENTS
yes sir.

Awasthi turns around, All turn to Vaibhav.

AWASTHI (CONT'D)
Zor se bolo..

EVERYONE
Yes Sir.

AWASTHI
O Main nahin sunya.

EVERYONE
YES SIR.

Vaibhav looks down to avoid eye exchange.

10. INT. ADMIN ROOM - DAY

Vaibhav, Meena stand meekly in front of Deepak.

VAIBHAV
Sir, ek request thi?

DEEPAK
Installment bhari?

MEEENA
Bhardi Sir..Kab ki bhardi.

DEEPAK
Phir bolo.

VAIBHAV

Sir..wo..aap..ek baar phir inorganic
ki faculty change kar sakte hain kya?

DEEPAK
Haan..Kyon nahi(beat) Agle saal phir
feedback form bhar dena, kar denge.

VAIBHAV
Tab tak to kaafi late ho jaaeyga. Aap
Batla sir ko hi wapas laga do na.

DEEPAK
Tum nalayakon ko feedback form hi
nahin dena chahiye. Toppers ke to
kabhi chonchle nahi hote.

Deepak resumes his paper work back.

VAIBHAV
Sir, Meenal bhi pareshaan hai.

DEEPAK
Usko kya hua? (concerned)

MEENA
Dhenchu..dhenchu

DEEPAK
Phir se..Meenal ko call karo.

Secretary starts typing in order to search number.

DEEPAK
Kitni baar kaha hai Topper ke numbers
rate hone chahiye.

Secretary's embarrased. Deepak dials himself.

CUT TO:

Meenal stands along with Vaibhav and Meena.

DEEPAK
naye sir, se kuchh problem hai kya?
Bolo beta.

MEENAL
Haan sir hai to, thodi.

DEEPAK
Arey to wait kyun kiya..iss saal ki
topper ho tum..

MEENAL
(happy)
Topper?

DEEPAK
Girls topper..(Meenal normal) Kuch
bhi hua kare..turant message kiya

karo..apna personal number isiliye to
diya hai.

MEENAL
Vo sir phone change hua to miss ho
gaya..

DEEPAK
To likho..9826 (stops, looks at
Vaibhav) Chalo baad mein deta hoon.
(To secreatry) Awasthi ko foundation
mein daal do..batao kaun chahiye?

Vaibhav interrupts.

VAIBHAV
A6 wale sir.

Deepak gives him a look, back to Meenal.

MEENAL
Haan..A6 wale sir

DEEPAK
Theek!!

Smile on Vaibhav and Meena's face.

11. INT. A5 CLASS - DAY

Parvez Ahmed, teaches passionately. Class relaxed.

PARVEZ SIR
Dekho, tumhari girl friend pe to
acche acchon ne chance maara
hoga..par usne sab ko mana kiya,
tumhe chhodke..To hue na tum
exception. Bas. Aise hi jahan
chemistry hui wahan aaya 'exception'.
Inorganic chemistry complicated hai,
par complicated to girl friends bhi
hoti hain. Par unse bhaagte thode hi
hain..unhe attention dete hain, unki
problems samajhte hain, cuddle karte
hain, Babu shona karte hain. (points
to one student) Dekh Dekh iske chehre
par kaise smile aayi..girl friend
hai? (Batla2 shies and denies)

Everyone laughs except Avinash Batla, who sits next to him.
Two BH3 molecules drwan on board.

PARVEZ SIR
Nahin hai. To bas jaise tu akela hai,
vaise hi ye Boron bhi hai (points to
BH3) Iski life mein electrons ki kami
hai. Par ab koi de hi nahin raha to
bechara kya kare. Tu kya karta hai..
girlfriend nahin hai to apne dukh
sukh apne jaise kisi dost se baant

leta hai.. (*Batla2 nods looks at Avinash Batla*) Bas ye bhi apne jaisa dost dhoondhta hai (points to a BH3)..aur bond bana leta hai.(Draws bond). Ab do dost bond apas mein banayenge to usko kya bolenge

ONE STUDENT
kela ho gaya.

Whole class laughs and repeats Kela. Avinash uncomfortable.

PARVEZ SIR
Bas waise hi yahan bhi is bond ko bolte hain *Banana bond*. Ab ye akela nahin kela hai. So note kar lo,
Electrons ki kami ke karan Boron doosre Boron se banata hai, Banana bond. Tum dono ne banya?

Student behind AVINASH pats him *Bana le*. Aviansh throws his hand away.

PARVEZ SIR
Ab to 377 bhi allowed hai.

Bell rings.

PARVEZ SIR
Chalo next class me milte hain

ALL STUDENTS
Nahi sir. pehle gaana.. haan..gaana sir..

Parvez Sir stops and takes a stance to sing..Humms

12. EXT. ROAD - EVENING

VM walk towards their PG humming the same song..

VAIBHAV
Kya samjhate hain yaar.. aur sare teachers me se best singer to hain hi..

MEENA
Wo toh A6 wale bhi bolte the par ye nahi bataya tha ki class me itna hasate bhi hai, teacher na hote toh pakka standup comedy me jaate. Kripa khade ganesh ki aisa lagta hai Inorganic chemistry ke Sakshaat Jeetu Bhaiya mil gaye

MEENA
Mujhe poora lecture yaad hai..DPP karne ke liye notes bhi nahin kholne padhenge.

Vaibhav starts opening lock (inserting key) .

VAIBHAV
Haan, aaj chemistry mein finally
dimaag khula hai.

MEENA
Pehle se khula hai.

VAIBHAV
Nahi aaj khula hai.

MEENA
Arey darwaaza pehle se khula hai

Vaibhav realizes that the door is open. Both surprised, enter in. We see aunty with a maid.

AUNTY
Aao laad sahab, ab tumhari security
mein se paise kaatne padhenge

VAIBHAV
Kya ho gaya aunty

AUNTY
(points on floor)
Ye kya hai?

VAIBHAV
Farsh hai..

AUNTY
Na ji farsh ke upar..

VAIBHAV
Aap hain..

AUNTY
*Ghano Rana ban rio hai...ye kaise daag
laga diye hain floor par..lizol taak
se na nikal ke de rahe. Hamara kota
marble kharab nahi hona chahiye..*

VAIBHAV
Kota marble nahin Kota stone hai.

AUNTY
Kya bola?

MEENA
Aunty ab se aapke marble ka kitaabon
se zyada dhyan rakhenge.

AUNTY
Na..ab se roz safai hogi yahan aur
rent mein 200 rupaye aur badhenge.

Maid slyly gestures her consent to aunty and both rush out.

VAIBHAV

Kaash is Taadka ka bhi feedback form
hota.

MEENA

Kya is moti mahila ke baare mein soch
raha hai. Tu hero hai re..Hero. Tu
nahin hota to na bhai to na kabhi
inorganic ke teacher badalte aur na
meri kismat. Apni pehli 2 chocolates
ka bhog tujhe chadaunga.

5 CLASS - DAY

ECU track shot of DPP (Mute scene) - a hand moves crosses
answer. Cross. Next question. Cross. Vaibhav 'WTF'. Parvez
sir's voice of dictating and writing answer on board. 1 ka b,
2 ka d...7 ka b (Vaibhav has marked a). CU of Q7 reads : "7.
What type of bond will AlCl₃ make?" a) Banana b) Coordinate
Covalent c) Covalent d) Ionic

VAIBHAV

Sir, Sir.. question 7 ka 'b' kaise
ho sakta hai 'a' hona chahiye.

PARVEZ SIR

Pehle ek baar saare answers bata
dun..phir discuss karte hein. 8 ka
hai..

VAIBHAV

Nahi nahi, aap pehle ye explain
karo..Aluminium, Boron ki family ka
hai..uske paas bhi electrons nahin
hain..Woh bhi apne jaise hi dost ke
saath bond ban raha hai..to banana
bond hi banayega na..Ye..ye (reads)
Coordinate covalent bond kahan se
prakat ho gaya.

PARVEZ SIR

Beta..ye exception hai. Ye to..

VAIBHAV

Arey..Banana bond to khud ek
exception hai.

PARVEZ SIR

Haan ye exception ka bhi exception
hai.

Vaibhav, Meena exchange a look in tension. Voice of Parvez sir
continues 'to 8 ka answer hai 'd''

14. INT. MESS - DAY

Torn pieces of DPP around plate.

MEENA

Tu tension mat le, next class mein

karenge chocolate problem.

Same A6 guy comes to sit.

VAIBHAV
Bhaag yahan se..

Meena says nothing just keeps looking at him.

VAIBHAV
Meena iss illusion se bahar nikal..
Kabhi nahi milegi humein chocolate
Chahe kitne bhi teacher badal lein.

MEENA
Yaar, maine pata kiya ye A6 batch
waalon ne institute ka hi
correspondence course bhi le rakha
hai, to saalon ke paas DPP discuss
hone se pehle hi solution hote hain.
cjocolate to mil jaati hai inhe par
kabhi test mein number nahin aate,
isliye to A6 mein hai. Meri maan to
institute ke bahar inorganic ki
individual classes laga letे hain.

VAIBHAV
Kya hogा usse..achcha hi padhayega
na..vo to ye bhi padha rahe
the..Meena, Problem teacher mein
nahi, iss **chutiya** subject mein hai.
Itna boring subject hai, sirf facts
hein, jinka koi logic nahi hai. Logic
ke naam par jitne rules nahi hain,
usse zyada exceptions hain. Pehle
octet rule mein batayenge sirf 8
electron hone chahiye par phir kitne
bhi electron ka compound bana rahe
hein 4, 6, 7, 8, 10.

RANDOM VOICE (O.S.)
Aur 12.

Students start coming closer listening to him.

VAIBHAV
Haan. Ek akele atom pe kitni saari
model hain. Pehle padhayenge Dalton's
model. Jaise hi samajh mien aayega
bolenge Oh! yeh to galat hai. Chalo
maan lia ek baar ko ho gayi galti
phir padhayenge Thomson's Plum
Pudding Model wo bhi galat hai phir
Rutherford Model wo bhi galat..to
saalon padhaye kyon jaa rahe ho.
Pehle theek model bana lo na. Na na
hum to padhaye jaayenge Bohr's Model,
Schrodinger's Model, Heisenberg's
model aur poora sahi koi bhi nahin
hai. Meena ye log exception bol-bol

ke **chuitya** bana rahe hain. Exception nahin ye excuse hai..saalon tumhare paas saare answers dene waali koi theory hi nahin hai. Hogi bhi kaise? Theory dete hain Einstein, Newton jaise genius jo ye chutiyape ka subject padhte hi nahin hai. Logic nahin yahan hain exception, exception, exceoption. **Abe inception dekhke itna confuse nahi hua tha, jitna exception ne kar diya hai.**

(Cut) Har atom to apni marzi se act or react karta hai yahan. Sabki oxidation state badalti rehti hai. +2, -7, +5, -1/2. **Saala** Oxygen tak ki oxidation state fix nahin hai. Arey jab tumhare khudke elements tumhare sage nahi hein to kyun faltu mein happy periodic family banane ki koshish karte rehte ho. Arrey Maths se seekho kuchh. Ek baar 0 se 9 tak 10 digit fix kar diye. Bas final, Par inke to saare elements hi nahi aaye aaj tak, har saal kuchh naya prakat ho jata hai, Bhum (animated gesture) iss baar lucky draw mein nikla hai 113 number..iska naam hum rakhenge Nikenogium..nahi nahi..nikenugium. 3 law diye Newton ne..aadhi physics ho jati hai usse. Lekin yahan har sawaal ke liye naya rule. To maan lo na ki tum physics aur maths ki tarah logical nahi ho..

MEENA
(interrupts)
Yaar tu shaant ho ja na thoda.

VAIBHAV
Nahi..Achcha tu mujhe ye bata, Apple ko hava mein drop karega to kya hogा?

MEENA
Vo neeche girega

VAIBHAV
Haan..par vo **physics mein girega chemistry mein nahi..yahan steric hindrance aa jayega..kam pada to resonance, inductive effect sab lag jayega.** (Cut) Kuch bhi ho sakta hai yaar yahan. Yahan to colour bhi seedhe seedhe nahi bolte. Green nahin apple green, red nahin crimsom red, pink nahin hot pink..**sala isliye chemistry sirf ladkiyon ki achchi hoti hai.** Kuch bhi karate rehte hain. Flame test, salt analysis, titration, Brown ring test, Rotten egg

smell.. Arrey kyun sunghun mein sadha hua anda bahman hoon mein. Atomic size ka trend, ionization potential ka trend, electron affinity ka trend, electro negativity ka trend, horizontal trend, vertical trend. Arey kisi cheez ko trend to tab kehte hain jab ussey kuch predict ho sake agar Thugs of Hindustan ki tarah kabhi bhi kuch bhi ho raha hai to kahe ka trend. **Mein bata raha hoon chemistry subject nahi subjective hai.** (Cut: Jitu's house) Kya kuchh nahi kiya is subject ke liye. Assignments, Notes, flash card, mantar rate, aage bhaitha, teen teen teacher badal diye, padhne ki strategy badaldi..par end result kya! Ghanta*. **BC sanskrit ka lang lakaar ratna isse aasaan hota hai.**

INT. JITU'S HOME

Off screen sound of brush rubbing. We reveal Jeetu keenly observes the blazer he irons.

MEEENA
(hands in a shoe)
Jeetu bhaiya, ye ruk hi nahi raha tha, isliye aapke paas le aaya.

A shoe lies in front of Meena, while he polishes another.

JEETU BHAIYA
Ek dum sahi samjha tu, problem is not in the teacher but in the subject.
Koi to reason hogा na ki physicist university mein milte hain aur saale chemist har chaurahe pe. Tu itna nahi rat sакta, tune ye samajh liya, Badhiya.

Jeetu resumes.

VAIBHAV
Par Bhaiya, issey solve kaise hui?

JEETU BHAIYA
Nahin hui abhi, mujhe laga simple hai yaar. Accha Maanle tujhe date par jaana hai..girlfriend hai?

VAIBHAV
Nahi..

He lifts his blazer and analyses.

JEETU BHAIYA
Maan le..Katrina Kaif type koi hot si bandi ke saath date set hui hai..Mam

punctual hain aur aapko sharp 8 baje pahunchna hai. Ab tune uske liye kuch gift liye.. (*wears wrist watch*) Ek bouquet, ek champgne aur --

MEENA
Teddy bear..Gulabi.

JEETU BHAIYA
Tumhare funde hile hue..Chal maan liya teddy bear. Par raaste mein koi chor aya aur tujhse teddy bear cheen ke bhaag gaya..ab tu kya karega?

VAIBHAV
Usey pakad ke do dharunga, aise kaise le jayega.

JEETU BHAIYA
Ek dum sahi yahi karna chahiye. Par chor fast hai aur pakad mein hi nahin aa raha to? Kyonki tu to do aur gift leke chal raha hai na.

MEENA
Zor zor se halla machayenge, koi toh madad karega..

JEETU BHAIYA
Thats one approach. Ho sakta hai work kar jaaye. Aap kya karenge.

VAIBHAV
(a beat)
Us gift ko jaane doonga. Aur jo baaki do gift hain na unhe lekar date ke liye bhaagunga.

JEETU BHAIYA
To bhaag..kaha to tha simple hai. IIT hi to wo sundar kanya hai..

VAIBHAV
Aur bouquet aur Champagne Maths or Physics hain. Teddy inorganic chemistry hai jo nahin haanth aa rahi. Par real life waali girlfriend ko teddy chahiye. Inorganic ke bina IIT mein nahin hogा.

Jeetu bhaiya puts a Blazer on. Meena confused.

JEETU BHAIYA
Kaun bola!! Is kamre mein kaun IITian hai. Hnn. Tujhe lagta hai maine kabhi chutiye ki tarah inorganic chemistry rati hogi. Chote..kisi bhi exam ke liye padhne se pehle, us exam ko padho. Top 5 IIT mein ghusne ke liye JEE ke din, un 6 ghamton mein, kitne

percent score karna hogा?

MEENA
Top 5 ke liye..90%.

VAIBHAV
Na na..95%.

Jeetu observes.

JEETU BHAIYA
(pets both)
Kaise karoge yaar is zaalim duniya ka
saamna. Tum log IIT jaroор nikalna.
(slaps) 40 pratishat.

Beat. Look exchange.

MEENA
40%? Top 5 IIT ke liye sirf 40%.

Jeetu nods.

VAIBHAV
Top 5 IIT ke liye sirf 40%!! (Happy
Vaibhav picks another shoe and starts
polishing) Mazak kar rahe hain na
aap.

JEETU BHAIYA
Yahan se nikaalte hi sabse pehla
unacademy pe video dekho. "Strategy
for IIT-JEE". Tum 60% syllabus chhad
bhi do na to chances hain ki IIT mein
ho jaaye. Inorganic ka syllabus vast
hoga..hone do. Paper mein weightage
kitna hai ye dekho. Kitna weightage
hoga inorganic ka paper mein?

VAIBHAV/MEENA
Chemistry poore ka hua One third,
[Vaibhav extends hand, Meena passes
cloth] yaani 33%, Uska bhi one
third..**11%!!**

JEETU BHAIYA
To dekhlo ki us 11% ke peeche bhaagte
bhaagte pant ki crease kharaab kar lo
yaan 89% pe focus karo, bas 40% lao,
aur phir char saal top 5 mein se kisi
ek IIT mein aish karo.

Jeetu bhaiya sits on the side and Meena & Vaibhav are putting his shoes. Meena is still confused.

VAIBHAV
Bhaiya mein inorganic ki sheets jala
doonga.

JEETU BHAIYA

Aey..galat baat.

MEENA
Haan..Vidya hai paap lagega?

JEETU BHAIYA
Nahin re..Raddi mein bech..paisa
milega.

Meena shocked.

MEENA
Par jeetu bhaiya rank to inorganic hi
improve karti hai na..

JEETU BHAIYA
Rank unki improve hoti hai jinki aa
rahi hoti hai. Tum jaison ki to rank
ye chudail kha jaayegi.Aur aisi
chudailon ko tackle karne ka best
tarika uljho mat side se nikal lo.
Samajh gaye na.. chalo abhi
jao..mujhe bhi nikalna hai.

VM turn to leave. Jeetu opens a cabinet. Meena turns back.

MEENA
Par jeetu bhaiya uss din aap keh rahe
the ki life mein problem aaye toh
dhun do..problem ko dare banao, phir
dare ko habit aur lage raho. Aur aaj
aap keh rahe hein ki Inorganic nahi
ho rahi to chhod do.

JEETU BHAIYA
(holding bouquet n Champagne)
Beta! Inorganic chemistry **exception**
hai.

16. EXT./INT. PG - MONTAGE

VM watch **Unacademy** video "Strategy for IIT-JEE". Some teacher, in Unacademy T-Shirt, talks.

TEACHER
(in Video)
The objective in the exam should not
be to solve all the problems but to
solve maximum number of problems.

In Intercut, we see, VM remove chemistry charts from the wall.
Throw all the inorganic chemistry sheets into a corner.

TEACHER
Agar koi problem jyaada confusing
hai, time-consuming hai to skip it.
Agar time bacha then we will return
to it. Har problem solve karne ke
liye nahin hoti.

Ankit and Meena are studying. Aunty enters.

AUNTY

Arey wo..

MEENA

Aunty..

Vaibhav calmly hands over 500 rupees to her.

VAIBHAV

Auntyji, Ye lo aapka extra charge.
Har mahine de doonga. Ab please ek
mahine disturb mat karna.

Vaibhav shuts the door.

THE END.
